Good Afternoon,

Regarding the " 5 Palms along the orange line":

The men standing along the line represent the marks that YOU(Mr. Epstein) personally selected With Gary Kearney, myself and Peter (as your mock trees)

Those marks were painted and then measurements were taken from the corner of the stone wall, so that we could re-plot the marks once the final grading was completed.

As for the two trees being spun to appear straight from the banquet,  
= no problem, I will see that it is done

The Rocks are being cleared as we finish the final pitch grading, and final hurricane tie-downs before we

Apply topsoil next week.

Thank You,  
Igala

one the light above the lady is awful, i said to build out a box and put the same light on it NOT A GARDEN LIGHT.. the 5 palms on the orange line, NEVER included a plam in front of the wall.. ( man in red shirt ),, also the trees by the pool need to be spun so they appear straight form the banquet. ,, the ground is not cleared of rocks.
