Mrs. Rosenberg says, "So did you give him great sex after dinner?"

Mrs. Kelly says, "Noo, noo. Kelly, he was too tired."

Leeds picks up a hitchhiker, and before he takes off, the hitchhiker pulls out a gun and tells him to jerk off. So he does it. Then the hitchhiker tells him to do it again. So Leeds jerks off again. No sooner does he finish the second time, the hitchhiker tells him to do it one more time. After pumping and pumping and pumping, Leeds finally finishes the third time. Then the hitchhiker gets out of the car and a pretty girl gets in.

The hitchhiker says to Leeds, "Now will you do me a favor and give my sister a ride to town?"

What's the difference between an elephant and a New York taxicab?
The elephant has the trunk in the front and the asshole in the back.

A kid goes to pick up his blind date, and when he gets there, he finds out she has no arms and no legs. But he's a good sport, so he puts her in the car, takes her to a movie. When the movie's over, he puts her back in the car.

When he gets in his side of the car, she says, "Have you got any rope with you?"

He says, "Yeah."

She says, "You know where that big oak is, the one with the low limb, down in the dark corner of the park?"

He says, "Yeah."

She says, "Why don't you take us there?"

And he agrees, because it helps the joke.

When they get there, she has him undress her, and then she gives him explicit instructions how to use the rope to suspend her from the limb, and they proceed to have the wildest sex the guy's ever had in his entire life. When they get done, he takes her home, carries her inside, and puts her on the couch.

As he's leaving, her father meets him at the door and says, "Here, son."

The guy looks down, and her father is handing him five hundred dollars.

Her father says, "Please take this."

The guy says, "I can't take that, sir."

Her father says, "Please, son, I appreciate what you did tonight. Take the money."

The kid says, "Sir, I *can't* take the money. You see, I-I had sex with your daughter."

Her father says, "Of *course* you did. But at least you didn't leave her hanging from that damn tree."

Minervini says to Rosegarten, "My wife ran away with my best friend."

Rosegarten says, "That sucks."

Galluccio says to Ingegno, "I learned a very important life lesson today. I'm getting married in a few weeks and I went over to my fiancée's house to look at the wedding invitations. Her mother's a really sexy woman, and as we were looking at the invitations, she started rubbing my leg ... and a few minutes later she asked me if I'd take her upstairs and make love to her. I got up and left.

As I walked out the front door, her father was standing there smiling, and he said, 'You passed our little test, son. Glad to have you in the family.'"

Ingegno says, "So what's the life lesson?"

Galluccio says, "Always keep your rubbers in the glove compartment."

The lawyer says, "First, did your research show that my mother is dying after a long, painful illness and has huge medical bills far beyond her ability to pay?"

The rep says, "No."

The lawyer says, "Secondly, did your research show that my brother, a disabled veteran, is blind and confined to a wheelchair and is unable to support his wife and six children?"

The rep says, "No."

The lawyer says, "Thirdly, did your research show that my sister's husband died in a dreadful traffic accident, leaving her penniless with a mortgage and three children?"

The rep says, "I had no idea."

The lawyer says, "And if I won't give any money to *them*, what makes you think I'd give it to *you*?"

Pinkerton says, "What have you been doing with all the grocery money I give you?"

His wife says, "Turn sideways and look in the mirror."

He says, "Where'd that come from?"

His wife says, "I won it in a raffle. Honey, I'm tired, I've been out all day ... would you please run me a bath?"

A few minutes later she walks into the bathroom and there's only a half-inch of water in the tub.

She yells, "Sweetheart, how come you only put half-inch of water in the tub?"

He yells back, "I didn't want to get your raffle ticket wet."

The truck driver says, "Nope. I was delivering this bridge and I ran out of gas."

HusbandMart opens. It has six floors, and the men increase in desirability as you ascend the flights. You can choose a man from that floor, but the catch is, if you go up a floor, you can't go back down, except to leave.

Joy goes to *HusbandMart*, and the sign on the first floor door says, "First Floor. These men have jobs."

She says to herself, "Well, that's better than my last boyfriend, but I wonder what's on the next floor?," so she goes up.

The sign on the second floor door says, "Second Floor. These men have jobs and love children."

She says to herself, "Well, that's great, but I wonder what's on the next floor?," so she goes up.

The sign on the third floor door says, "Third Floor. These men have jobs, love kids, and are extremely good looking."

She thinks, "Hmmm ... that's even better, but I wonder what's upstairs?"

The sign on the fourth floor door says, "Fourth Floor. These men have jobs, love kids, are extremely good looking, and will help with the housework."

She thinks, "Wow. Very tempting. But there must be more further up."

The sign on the fifth floor door says, "Fifth Floor. These men have jobs, love kids, are extremely good looking, help with the housework, and have a strong romantic streak."

She thinks, "Oh, my God...but I wonder what's awaiting me further up?"

The sign on the sixth floor door says, "Sixth Floor. You are visitor 3,456,789,012 to this floor. There are no men on this floor. This floor exists solely as proof that women are impossible to please. Thank you for shopping *HusbandMart* and have a nice day."

in a related story:

To avoid gender bias charges, the store's owner opened a *NewWives* store just across the street. The first floor has wives that love sex. The second floor has

wives that love sex, have money and like beer. The third, fourth, fifth and sixth floors have never been visited.

Leopold says to his new psychiatrist, "I had a really weird dream last night. I was with my mother, but when she turned around, she had your face. It was very disturbing. In fact, it woke me up and I never got back to sleep. I just lay there waiting for morning to come. Then I got up, drank a Coke, and came right over here. Can you explain my dream?"

A cute young blonde goes to a radio station late one night and bangs on the door. The all-night D.J. lets her in, talks to her for a while between songs, and starts getting really horny. When he can't stand it any more, he rolls his chair over in front of her, stands on it, takes out his pecker and sticks it right in her face.

He says, "Do you know what to do?"

She looks up at him and says, "I-I think so."

He says, "Then go ahead."

She grabs it and screams into it, "I just want to say hello to Terry and Holly and the whole gang at Matt's Grill."

Late one night Minervini's car breaks down in front of a farmhouse, so he goes to the door and asks the farmer if he can stay the night.

The farmer says, "I got no room in the house, but you can stay in the hayloft out in the barn. And, hey, there's one of them there homosexuals what's stayin' up there, too, but there's plenty of room."

Minervini's exhausted, so he figures what the hell. He climbs up into the hayloft, and the gay guy's really excited to have company.

The gay guy says, "Let's play, let's play. Let's play fart football. I'll go first."

He pulls down his pants, bends over, and says, "Fartzy-wartzy, fartzy-wartzy," as he strains to fart.

He lets go a loud "*Llbbtt!*" and says, "Six points! *Six points!* I'll go for the extra! I'll go for the extra!"

He strains again, a little "*Llbbt!*" comes out, and he says, "Seven to zero! I'm winning! Your turn, your turn!"

Minervini's disgusted, but he wants to be good company, so he pulls down his pants, bends over, and says, "Fartsy-wartsy," and farts.

The gay guy says, "Six points! Go for the extra! *Go for the extra!*"

As Minervini bends over and starts to strain again, the gay guy runs behind him, and starts sticking it in and out of Minervini, yelling, "*Block that kick! Block that kick!*"

Gomer lives on a farm, and he knows nothing about women or sex, so for his twenty-first birthday, his paw gives him fifty bucks and tells him to go to town and buy himself a hooker. Gomer goes to town, meets a hooker in front of a bar, offers her the fifty, and they go back to her place. When they get there, she tells

him he'll have to settle for a blow job because she's having her period.

He says, "What's a period?"

She says, "I'll show you."

She lifts up her dress, and pulls out her Tampon.

She says, "See? I'm bleeding."

He says, "Well, it's no *wonder* yer bleedin'. Somebody done cut your pecker off."

The teacher says, "Okay, class, we're going to play a game today. I want everyone to give me a sentence with the word *perhaps* in it."

Claude says, "Perhaps if we are good, the teacher won't give us any homework."

A lady has a baby, and all it is, is a head. Nothing but a head. Just a dog-gone head. That's all it is, is a head. So what's she gonna do, she puts it at the top of the stairs, on a table, facing out the window. It's the least she can do. For eighteen years, there's the head ... eighteen years.

Finally, one day the phone rings, she answers it, and it's the hospital.

A doctor says, "Mrs. Johnson, there's been a terrible accident. Someone was decapitated, but we saved the body, and we can put your head ... well, not *your* head ... but your *head's* head ... the head you have at home, we can put it on top of the body and you can have a regular son after all these years."

Needless to say, the lady is tickled pink.

She goes running up the stairs and says, "Bobby! *Bobby!* I've got the most wonderful surprise for you!"

He says, "I hope it's not another hat."
