Jeff,

Wanted to give you my preliminary schedule for next week.

I spoke with Brice this morning and he is headed to Zorro late next week so based on that here is what I was thinking:

I will go to the island Monday thru Thursday and then go to Zorro with Brice on Thursday and stay thru Saturday.

I am going over to Palm Beach tomorrow to meet with Janusz.

When I am island, I assume I should stay on island but wanted to confirm with you.

Let me know if you are ok with the above.

Thanks

Marc
