Just want to confirm you want the outdoor library furniture in the same white fabric as is shown on their website? There are several other color options if you prefer something a little different:

<http://www.laneventure.com/Fabrics/Outdoor-Fabrics.aspx>

As long as the fabric you want is in stock, it won't affect the lead time, 4 weeks.

The prices for the pieces you want are:

Couch: \$1332

Lounge Chair: \$888

Ottoman: \$443
