I just installed center channel speaker wire, but need help hiding the center channel wire, Gary Moses will help me raise desk so I can run wire through desk, Jeffrey, could you position L and R speakers in the positions you prefer, I will clean wires and tie wrap after that, Brice is bringing me speaker wire so I can hard wire surround speakers to subwoofer, I relocated the surround speakers, let me know if that is good location?

Thx

Larry

(Jermaine Jeffrey wants surround speakers hard wired, no wireless surround)
