Mr Epstein is in Europe . I will tell him you asked to see him. For how many days will you stay in New York? If you have some free time , I would be privileged to join you for a coffee. (I have received Mr Epsteins approval). Thank you

Sincerely,

Dear [REDACTED]

Hope this note finds you well. This is [REDACTED] JE assistant. I mentioned you that I applied for the Schwarzman Scholars in Beijing and I recently received a reply from them. Unfortunately, I did not get into the program. I am highly interested in this program and I believe it could open many opportunities and doors for me working in Asian in near future. Therefore, I do not want to give up and I am still trying to get into this year program. I remember you mentioned your support of Mongolian students in this program and that you might be able to help me. Do you think this would be in any way possible?

Thank you for your consideration and I am looking forward for your replay!

Best Regards,
