**Subject:** Davos intro

Jeffrey,

Please say hello to Jean Claude without whom our mission would have been next to impossible to accomplish. I understand that the time here is of essence, therefore...

Jean Claude, as discussed, I am putting you in direct contact with Jeffrey Epstein so that the two of you could deal directly and take of necessary logistics.

I look forward to meeting you in Davos, Jeffrey. It will fun!

Jean Claude, best wishes to you and thanks again!

Marina
