Jeffrey,

These are the dock designs. I would like him to extend the dock in Christmas Cove to a depth of 15ft. and the dock across from LSJ to 9ft. This makes both longer which will make them move expensive, but this gives us a lot of clearance and little chance to have any bottom disturbance. Can I have him change them? It will only take him a couple of cays and I can finish things up knowing he's doing that.

good morning -

attached are the drawings for gsj ... please review and let me know if they are okay (other than

being set up on 24x36) ... if they need to be sent to someone else, let me know or you can forward

thanks !
