Hi here are the sms:

Well I only told you and her I couldnt come on Wedn= esday evening... And I also did not want to meet at your place. I though yo= u were goig with me to the agency. Then everything get cancelled which was = a mess for me because I lost jobs in Paris..

Then:

Like I said in the emails, i never said I was going to see the= agency alone, there was no point for this. But now I really don't unde= rstand you're coming back to me because there is nothing special to und= erstand anyway.
