Hi Rich,

Am very pleased that the Foundation Center has agreed to list Jeffrey's foundation on their website without the 990 tax form. This is the site that comes up on the 1st page for all major foundations: MacArthur etc.

I do need the updated EIN number. Is this correct? # 660585379 The Foundation Center said they couldn't find any current tax records from it.

Thank you for the update.  
best,
