Jeffrey:

The short and sweet of it is that just ask him to help Bard. Culture--forget it. We run a fast growing common core compatible network of high school/early colleges in the public sector-including New York, Newark, New Orleans, Cleveland and Baltimore. We would like to expand it and we lose money on these already and they need support. Let's take his excuses away from doing you the favor he owes. And thanks.

Hope to see you soon.

Best,
Leon
