Dear Larry:

Rick Pitner was kind enough to give me your email and note that you might be interested in a GV.

We are trying to find a home for a GV owned by one of my prospects. The aircraft likely would be of interest to someone who wants to do an update to his own taste on a GV that has been well maintained with low hours.

If this type of GV is what you are looking for, I will forward you brochure that the owner has produced. I am also ready to help with any communication issues with the prospect, but I would prefer that the negotiations take place directly between you and the current owner/operator.

Best Regards,

Russell Laughead
