For years afterward I had the camaro registered out on Long Island at David Goldstein 's brothers house because of the cheaper insurance plus all of the parking of parking tickets you used to get when teaching at Dalton. The city sent an inspector out to his house looking for the car . We got a free pass when they discovered that the whole parking ticket apparatus was corrupt and the city wiped out all of the old tickets. We'd still be doing time otherwise!

Sent via tin can and string.
