I talked to our security guy and was really mad with him. He sincerely apologized and said he had a misunderstanding when the ladies willingly gave him their numbers and he thought they won't mind him approaching them. I made him delete all their numbers and have warned him not to repeat this with any guests. He promised that this will not happen again. As you said pretty women make guys do silly things. The ladies should avoid giving out their numbers freely. Guys like this will create them inconvenience.

I am shocked and deeply sorry for this indecent act. Please convey my apology to the ladies. This will never happen again and I'll fix this matter immediately with the guy soon. Very much regret for this embarrassment caused.

Today he called [REDACTED] (the taller one) and told her he was looking to get a massage. - I am not insulted or angry, but I thought it highly inappropriate behavior . sorry
