I am worried about changing our arrival date to check in on Tues. 16th at the Fairmont...I have been advised the hotel is completely committed and if we change the date to arrive Tues, it is very possible they rent the room out to someone else on 15th and you won't be able to check in until after 3pm...if we keep the rooms, then whenever you arrive on 16th you can immediately check in...(Amex amenities only give you early check in IF available and even if it is available it is not until noon) The rooms are 689.00CAD plus tax per a night...**do we keep the reservations for 15th and just pay to keep the empty rooms for us?**
