## Videos Now Available

### An Origins Project Dialogue with Mariette DiChristina

We are pleased to announce videos are now available from our Dialogue with Mariette DiChristina on April 22 discussing the role of science in our life and how to better fuse the relationship between science and journalism in the digital age. Click the following [link](#) to view part 1 of this Origins Project Dialogue. To access both parts 1 and 2, please visit the Dialogue [event page](#).

## Thank You

### 2015-2016 Season Wrap-Up Video & Infographic

On behalf of the Origins Project, thank you for an amazing 2015-2016 season. We hosted over a dozen public and private events, which attracted thousands of guests and millions of views online. From Antarctica to Phoenix, the Origins Project continues to explore fundamental questions facing humankind today. We couldn't reach these monumental successes without you, so we thank you for your continued support!
