## Your professional report is ready.

You recently requested professional analysis of your Kardia EKG report. A board-certified cardiologist has reviewed your results and provided an evaluation.

Click [here](#) to view the report. Your username and password are required.

You can also view your results via the Kardia app.

1. Launch the Kardia app.
2. Go to Journal.
3. Locate the EKG recording you sent for analysis.
4. Tap the Report icon.

Be well,  
Team AliveCor
