Do you happen to know Eric Leeds, [REDACTED] has been seeing him - i think the guy sounds like a trouble.

For some reason, she believes he is a retired billionaire, i believe he is retarded bipolar instead.

He gave her a customized t-shirt of her bday and said he felt she didn't really appreciate it; also told her that when she rudely rejected a boy when she was 13, she was really cruel and that shows her true cruel nature etc etc. I told her to drop him, but I am afraid she won't listen
