Her reply;

The problem is that I am with a group we are rehearsing for our final project presentation tomorrow and we just meet up we are far away from upper east it will take long time to go there I won't have time until late and I can't make it basically because I had to adjust to the group. I thought we were gonna meet early today but half of us couldn't so this is what happened. Very annoying :(

I can write u when we are done and we can see but I think that will be late

I'm very sorry about it and tell Jeff I wanna see him between my finals or after. When is he here next time? It's a very busy period beginning of next week but closer to the weekend it looks better
