Dear Jeff,

I hope this email finds you well.

As per Ariane's request, and following to your last conversation with her, will it be possible to organise a meeting in New York during my visit? I will be in town from October 14 till October 18.

Does the afternoon of October 14 work for you ? In such case I will make sure that Philip Susswein attends too.

Remaining at your disposal,
Best Regards,
Johnny el Hachem
