Thanks Jeffrey.. I missed this yesterday.. It is kind of you. As I said when we skipped, I think Nancy would like to do some diving, and we need to go some place a bit touristy, I think.. I am going to look into airfares now for end of Sept down in Caribbean, and I could probably book a hotel which I could cancel if staying at the island becomes a possibility..., as long as I did it long enough in advance..
am happy indeed on the whole... but staying that way requires not taking this for granted..

Hi Jeffrey.. Hope things are well. Will be in NYC but only for one eve Aug 3.
Wanted to ask several things..

1. looks like our Anniversary of General Relativity event is probably going to be around Jan 21.. If I can convince Weinberg to come, is it possible to fly him from Austin?
2. Nancy and I need a vacation for lots of reasons, and I am trying to finish my new book by the end of Sept. We were thinking of going to the Caribbean then. I wanted to check about the possibility of staying at your Island if we came for 5-6 days.. OK if no of course, but wanted to know so I can make plans and get a hotel if necessary. I don't want to stay anywhere where I stayed in my pre-Nancy life.
3. What's up?
