It is a joint venture my self through a Cayman company formed in 1998 under sheba investment company and the ministry of finance represented by the Privatization agency,,  
Last year net profit was 12,000,000 usd ..for distribution ,,  
This year should increase ..  
We intend at least increase production by 1.5 billion cigarettes yearly --  
This company should be worth 5/600 mill usd by end 2017 .par value  
We can mortgage the 38 percent against the credit --  
It is the political heat in Region which made it some difficult raise the finance ..  
Here in gulf and saudi the consider lending to tobacco (( Makrooh) means not wanted  
A religious word though they all smoke ( hypocrisy )
