Good morning Lesley. Thank you for checking in as of now we are behind schedule due to the weather. I think that if he's able to come by it will only be for a minute to look at the exterior and set up the shot. After that Mr. Soderberg is due at that editing room, maybe a quick hello. Also I was just notified Con- Ed is tearing up the street, I need to check in on this.

Good morning Jose. Just checking in as I know you said Mr Soderbergh is to stop over to Jeffrey's home tonight and have a look at the facade himself. Might you have an idea on his timing? Please do ask him to knock on the door as Jeffrey would love to offer him a cup of coffee

Thanks, Lesley
