Obviously there was a miscommunication as I wouldn't waste your time by coming to you with a small idea. As I did state, if you came in as his majority capital partner he could make 3.5 of the H inventory available. As I told you all of H was subscribed but he could free 3.5 of it up to attract a single investor and then articulated why he wanted a single investor. I also reiterated that to you in an email after our meeting. I then sent you a structure and model as requested for your review. I apologize for any confusion but he had no need of capital for H but for a bigger picture deal he'd happily make some of that inventory part of a bigger deal. I do not re-trade ever and in fact it wasn't my trade to make, I was merely making you aware of a live opportunity with a friend of mine. Since you hadn't made a decision there was no trade to speak of only a conversation anyway. Again sorry for any miscommunication and wish you a happy holiday. If you'd like to deal directly with Joe on any remaining interest, I'll step out of it as I have no skin here other than being an investor. Our CFO has Joe's information and you guys can reach him directly if you wish.
