Thanks Cecile. They are being worked on but Donald Pomeranz told me yesterday that he and Susan Anderson agree that any prospective dentist can take the practice test portion of the exam now and need not wait for rules and regs to be promulgated. So the lady can apply for and be examined now. Will let you know when we approve the regs.

Warm regards,
mac

Press on regardless. Today is a gift.

Hi Mac,

Congrats on your little [REDACTED] How exciting for you and the family. Blessings and best wishes to you all.

Any luck with the Dental Rules and Regs?

With warm regards,

Cecile
