Hi Lesley,
Can you please forward the below to Jeffrey?

Thanks!!

gino

Hi Jeffrey,
Thanks again for all. I'm seeing Dmitry Itskov who is a radical "out of the box" thinker:
<http://2045.com/> next week. He's been funding radical work (keeping brains alive
and interfaced to computers) and relocating from Moscow to NY. Let me know if
you'd be interested in having a conversation with him.

Would love to continue our discussion regarding interpersonal and group dynamics in
negotiation and collaboration and also the proposition. I'll be in NY again from
Wednesday through Saturday if you have any free slots.

Thanks again for the hospitality!

gino
