I would have been delighted. But I will be in a room the size of a card table, reading in a midtown recording studio, the audio version of my book—for 8 hours.

OK, after the 16th. Rock and roll. And thanks again. H

Terrific. The conversations were fascinating.... I'm a bit embarrassed about holding forth on the evolution of the penis. But I had just been reading aloud that part of my book in the audio-book recording studio. O well. Everyone seemed to be ok with it.

And the whole evening was enormous fun. I love to bat about ideas.  
Thank YOU.
