Please advise if ok to sign the photo release the knick needs..below from Jose:

will Mr. Epstein or you please sign a Photo release so that we can provide you with a certificate of insurance? We have to provide insurance if we're going to have actress and crew members on sight. and I can't produce insurance without some type of signed photo release. We can't film without a Photo release, I will forward you one in a few minutes for you to review.
