wow... both M & G are pretty compromised. Also saw Margaret (who said she's tried to get some meaningful video for you from the symposium, but that the value was in the experience and the video just doesn't work).

Margaret is trying to raise funds to appropriately archive Marvin's music. She may be in touch on that.

I'm hoping to go over there tomorrow afternoon and help them with trick or treaters. The MIT event has been spectacular. AND - Kevin Esvelt is the clear amazing emergent talent. Yowza.
