Later in a day today.

I talked to Peter Yesterday and told him that it is coming today.
Peter told me that he thinks that whatever I write a number that David will try to negotiate.

Also I sent it to Gunderson that they have heads up that is coming

Peter told me by himself that he is one that told you re Boris' Bentley but that was a "joke" and that David never said that.
As they are working together (and probably sharing money) I do not trust either of them.

THANK YOU

B
