Hi jeffrey,

The password for your Yahoo account, **littlestjeff**, was recently changed.

If you made this change, you're all set.

If not, please take these steps to secure your account:

1. Reset your password on any sign-in screen by selecting the [I can't access my account](#) link.
2. Visit the Yahoo [Security Center](#) to learn how to protect against malicious activity.

Feel free to reach out to [Customer Care](#) with any questions or concerns.

Thanks,  
Yahoo
