Good morning Dale,

The link I copy here maybe can help you to find an idea of a performance
you would like to have on board for the Owner.
Unfortunately there is not an English version but only an explanation on
pdf format. Nevermind, the music is a universal language. So I suggest you
to have a look on the pages:

http://www.veneziaclassic.it/musica.classica.htm

- Musica classica
- Musica leggera – Folkore del gondolier
- Opera – Duo tenore e pianoforte

Hope it turns useful..Waiting your comments, our best regards,
Ciao
Doa
