Not a victim until there has been a charge -- I.e., arrest, criminal complaint, indictment. That is DOJ position and clearly right.

very well done but some errors. ie, Im not sure to have definition of crime victim commence only after COURT proceedings. girl is raped, she is supposed to be treated as a victim, before the court process. ? and he says i plead to two solicitations but as you recall though the docu reads solicitation of a minor THERE was no crime with that title. she required procurement of a minor that clearly under supreme court of florida regs says for a financial benefit.
