Hi Jeffrey,

Jean Francois from NeuroTV asked me about your thoughts re: funding.

I would prefer to work for your foundation full time but if you only need me part time, then I would need your support in reaching out to Craig Venter's Human Longevity Institute and the C Venter Institute. I would apply to do/assist with their media/press/content/pr. I would contact them directly but would need you as a reference if needed.

If that doesn't work, I could apply further afield (Buck Institute, Thiel Foundation etc)

Thanks for letting me know. Hope you're ok.
