Hello Jeffrey .

Please I need Your help .

I've counted my amount of money for the kitchen- of all 5 guests apts like :
15000\$ -16000\$. To make it fully and nice .dinnerware , coffemachines , toasters , flatware ,
cookware to to make it completed Etc .

Because at the moment it's look so empty and boring .

And now a lots of Xmas sales and I was looking for good dinnerware sets and so on .

Valley&bosch
sets like 700\$.

Because if to chose again things like dinnerware from crate and barrel it look like its going to be
the same .I will send you those photos

I feel it could be less money but with all this basics stuff for the 5 kitchens

I have all paper prints with things I've chosen .

And also it could be great to match all these things in style with new furniture . I have lots of
beautiful things And apts can look really cool
