Hi Jeffrey! Sorry to bother, its a new email of [REDACTED] and the rest of my group. If you have any idea's what to do today-tom while boss is in town and requested to see me at the game. last time my appologies at the game made things much much worse. I think its better to see him private before the game, but question is what to say in order to stop this and not make it worse. If you can put yourself in his position and advise something would be great... If i will not see him tomorrow Brooklyn might loose playoffs and he will not come to America in a while....
If not, i understand, but its just soooo very important and we dont know what to do.

If you will help [REDACTED] personally agree to do massages))
