I sincerely apologize for my extended absence. due to circumstances beyond my control and not as a matter of whim or whimsy, I had been temporarily disabled and unable to attend classes. I am aware of the rules and would greatly appreciate an exception to be made due to the extraordinary crimcustances of my situation. I stand willing to take all the exams that were given and if necessary take the make up in july along with the other students that are required to make up their exam. I hope you will understand and forgive my non attendance in physical class. but I am up to the task of proving my competency moving forward. I await what I hope will be your positive and caring response.
