This came today from Bruce's producer. Do you have a snappy reply I could give that lets him know that I want the full amount for the week (which he said, "don't worry, we'll pay you for the week" when he told me it was canceled and to go home). I cant even believe he is asking this. Your thoughts?

Hi Stephen,

These are
yesterday's receipts,
in case you need
them. After
mechanical
malfunction, missed
planes and delays, I
finally made it home
at midnight last
night!

I wish I had gotten
to see you guys.
Please let me know if
you need me to
invoice you for my
week's wages and
per diem or whether
you have that
covered.

Please stay in touch.
Hugs, [REDACTED]
