Yes,. JFK has multiple long runways for different options, for wind direction.,  
Newark was landing runway 29, circle to land when west strong wind is in effect,. And visual,  
Runway 29 is 6700ft  
JFK has three runways, 10,000 / 13,000 and 9800 feet.,

Fuel price is better, and runway options are better

Jeffrey  
Do you have a wheels up time for tomorrow?  
At this time JFK is low price at 6.24 per gallon ,. I'll tanker some fuel since runway is long  
at Jfk if that's ok?

Thx  
Larry
