I was meeting with Karyna, Julia, [REDACTED] and Jennifer in an attempt to get your list together for you.

Now I'm back in my studio about to go through the massive pile of print outs that Julia put together

so I can edit it into a concise list for you.

Unprofessional and silly is how Artefacto runs their company. Now they are saying that because of

a hold up at the delivery companies terminal they can't compete the first delivery until Feb 2nd!

I am trying my very best for you.
