Subject: as long as there are customers...

It claims you bought me from my father, paid me to perform lesbian sex shows and also paid me to go down on me (??) I guess my shh photo doesn't help the story... (<http://www.blesk.cz/clanek/celebrity-svetove-celebrity/295929/prostitutky-u-prince-andrewa-sexy-slovenske-modelce-platil-milionar-za-lesbicky-sex.html>) At least the comments say they would pay too :)

I read the new UK article too...poor Larry. And JL...where are they getting the agency stories?
