Per Chris:

1. The 13 bougainvilleas pictured could all fit in the 20' container. Depending on size (25 gallon - 60 gallon) about 12-14.
2. These bougainvilleas are at [REDACTED] - he spoke with "2 women and 1 guy" - does not know names, but one of the women was older - I would guess Rosita.
3. If Tropical delivers the 20' reefer to the nursery, the nursery will do the loading.
