Janusz would like to review with you as he believes some items such as old computers (once wiped) can be discarded

Hi Larry,
Just received lease
from Uncle Bob
storage. Lease was
signed in 2003 with
The Store Room
for \$221 per month.
Unit space is
12x15. Current cost
is 374.31 per
month.
Company also
offers smaller units

with space 5x10 for \$71 per month, 5x15 for \$115 per month. Please confirm that we need all the items in the storage. If you think the items can be removed we can get a smaller place. Janusz is also using the storage sometimes. Now he will need to move some furniture from the garage to the storage. Not sure who makes the decision to put old furniture from garage to storage to add more cost to it..

Thank you,
Bella
