Dear Jeffrey,

███ mentioned that it's your birthday today! Wanted to wish you a Happy Birthday & a wonderful year ahead

Regards,

█████

Dear Jeffrey, dear ████,
This is an email to put you in touch. I told ████ that Jeffrey is looking for intelligent, forward-thinking individuals and she said "why not to be introduced".
████ is my school friend who achieved great things for her young age, lived and studied then worked in Moscow London New York for UBS bank. Fantastic gorgeous smart girl.
Hope you get to meet each other soon, enjoy New York times..!

Greetings from Monaco
