From the agent: "He can't rent anything else. He only has one lease permit and he has already used it to rent the other penthouse that he owns. He rented it for \$10,000 per month. They will no longer allow anyone a lease on the PH level. They slipped up when they allowed him to buy his one and one lease permit since he was the first PH buyer. Then the developer realized they didn't want anyone to be able to lease on the PH level so they said no more."

This is yet for rent: http://www.zillow.com/homedetails/1212-Laurel-St-APT-2108-Nashville-TN-37203/2103046050_zpid/ (faces construction..)
