Good Morning Larry,
I have a couple of choices for you.
We just got in and set up this new LASER projector from Epson. It's a very good
piece LS-10000.00
You can but one of these for 7000.00
Jeff told me he would also sell the Sony 600Es we have on the ceiling for 9500.00 (
list is 15000.00)
You can see both of those if you like,
Thanks,
Elliot

Hello Elliot.,

I need a low-cost projector for my boss in St. Thomas, what would be a low-cost projector that you could recommend and get ASAP., Something under \$8000., between \$4k and \$8k I'll only use the temporary while we repair our digital projection unit

Thx
Larry
