Forgive me please that I disappointed You . For making You nervous because of me .
If I really knew how horrible it's going to be I would never ever do something like that .
You are my best friend and the one In my life who did for me just only best things and making my
life like a dream .

And the worse thing - I did it . instead of to show You how much I grateful and appreciate what
You've done to me I just destroyed and gave You thoughts not to be sure about me . I wish You
can forgive me and give me a chance to show that I'm still Your [REDACTED] . And I'm happy to do
everything for You . I wish to improve all things otherwise I will never forgive myself for that .
I Did a big mistake . I feel very horrible toward myself . I know You are not interested but the
truth is when I was buying things I felt like a sick person , that stress came out like that . I've
never though that I could have some issues like that . To be under control and this is scares me .
I have to make Your life happier and easier . But what I did this is really bad . I would never do
anything like that , because

I love You and I'm afraid to lost You and Your attitude toward me .
PIEASE FORGIVE ME
