Jeffrey,

I spoke to Christian at Professional Audio and Video Systems in Miami, BelCanto supplier, 305-669-2778

the REF1000M is 18 lbs as we know, and supposedly an amazing amp with 1000W mono block output, according to Christian, BelCanto is high end equipment and his store does not stock equipment, all special order, takes 4 days, we could have delivered to Palm beach by Monday or Tuesday.

the sales person recommended as you mentioned:

-three, REF1000M for front speakers: Left, Right and center \$2,695 each amp and REF500M for surround speakers mid and rear, \$1,695 each.

should I order three of REF1000M for fronts and four of REF500M for surrounds?
I may be able to get a 10% discount.

thx
Larry
