Hi Jeffrey,

Yes of course. The Turkish architect I have been talking about is called Mete Deniz. I think he would be perfectly suited to help you with building a similar project on your island. His contact number is:

[REDACTED]

The only email I have is for his wife Aysegul, who incidentally has exquisite taste. Her homes in London, Istanbul and Marrakech have been featured in most magazines and set her apart from the mundane decorators you normally come across.

Aysegul's email is:

[REDACTED]

I will come back to with regard to comp properties.

I strongly urge you to stay in the Royal Mansour when you come at the end of April.

As ever,

Mark
