Hi Rich,

Thanks for sending the Nov 15th check when you can.

Thanks for catching up with me yesterday. Yes, I would really like to get a financial entity listed with Bloomberg BusinessWeek so we can get Jeffrey's name on there too. Below are the items we would need to make the application. It should be as compelling as possible.

- name of financial entity. (ie: private wealth management, private equity, hedge fund etc)
- Brief description
- Address
- any filings available (only paying subscribers see this info)
- List of executives involved including Jeffrey.

- Age
- Board memberships of all execs.
- Press links to show significance
- I can also add info about the Foundation-- but the lead company should be financial/or business.
